

WEED ID 'DROP IN' Session

Stay for ten minutes or stay for the afternoon!

Do you need to brush up on your weed identification skills? Are you interested in learning more about new and emerging weeds? Is there something growing in your paddock that you are unsure of?

Drop in and get the information you need to identify established and emerging weed - FAST!

Rural Services Staff and District Rangers will be available to assist you one-on-one with any weed identification questions you may have. We will have potted samples to help with weed identification as well as information about new and emerging weeds.

Bring along samples from the paddock and have it identified by knowledgeable Parks and Conservation staff.
